Dave: Let's plan on 30 September at 10:30 AM Mountain time.

When you have the call information available, let me know and I'll pass it on. As we discussed, if we plan to use an Internet based meeting, we should test it beforehand.

Thanks,

-Brent

Brent,

We are good with either of the times your proposed this morning. We will plan on the 10:30 Mountain/11:30 Central/12:30 Eastern, unless we hear differently from you.

We can coordinate the arrangements as the time approaches.

Thanks.
