901 S Kansas Ave  
Topeka, KS 66612-1283

Dear Dave:

The enclosed is the "District Operating Plan" of the contract, which refers to the storage available and the apportionment by separate agreements. Also enclosed is the Memorandum of Agreement between districts. Under Attachment B of the Memo, (12) the river flow split is described if the target elevations are met.

If you have questions or want to discuss this further, give me a call.

Sincerely,

Kenneth Nelson  
Superintendent
