Dear Mr. Barfield:

I have received your August 30, 2013, letter regarding Kansas response to my May 24, 2013, and August 23, 2013, letters. While I respectfully disagree with your characterization of past events I will simply let the facts of the past speak for themselves. I look forward to having time at the upcoming Compact Administration meeting to discuss the process that Kansas intends to utilize in working to resolve issues related to implementation of key components provided within the FSS.

Sincerely,

A handwritten signature in blue ink that reads "Brian P. Dunnigan".
