Re: Water Right file number 13752

Dear Mr. Norquest;

Charles Salmans has applied to relocate the well authorized by the above water right number. There are two neighboring wells within ½ mile of the requested.

We are delaying action for 15 days on the change application to allow you time to review and provide a recommendation if you feel one is warranted.

Thank you and as always feel free to call or write us at any time.

Sincerely;

Thomas P Makens
