Re: Water Right file number 23123

Dear Mr. Norquest;

Loren Lucas has applied to relocate the well authorized by the above water right number. Well redrill did not turn out he is returning to last authorized. There are no neighboring wells within ½ mile of the requested.

We are delaying action for 15 days on the change application to allow you time to review and provide a recommendation if you feel one is warranted.

Thank you and as always feel free to call or write us at any time.

Sincerely;

Thomas P Makens
