RE: Water Right, File No. 20263

Dear Sir:

Reference is made to applications for approval of the Chief Engineer to change the point of diversion under the referenced file number, which was received in this office June 10, 2020. Upon review of the application, we find that additional information is needed.

It is required by K.A.R. 5-5-1(c) Filing an application for change, that the Division of Water Resources, is required to obtain a notarized signature from each landowner and their spouse, or a duly authorized agent. All signing must be done with a notary public present.

- Owners of the following tracts needs to sign:
- North half of section 1
 - North half of section 2
 - North half of section 3
 - All of Township 27 South, Range 35 West in Grant County Kansas

For the applications to retain their priority of filing, all required signatures (of all landowners of record) must be completed and returned to this office on or before, **July 17, 2020**. According to law, default in returning requested information as outlined above within the time allowed or any authorized extension of time, shall cause dismissal of the applications for change under the above referenced file numbers.

If you have any questions, please contact our office. Please reference the water right file numbers listed above so that we may help you more efficiently.

Sincerely,

Michael A. Meyer
Water Commissioner
