7. The changes herein are desired for the following reasons?
 (please be specific) _____

12/11/2020

8. If a well, is the test hole log attached? Yes No

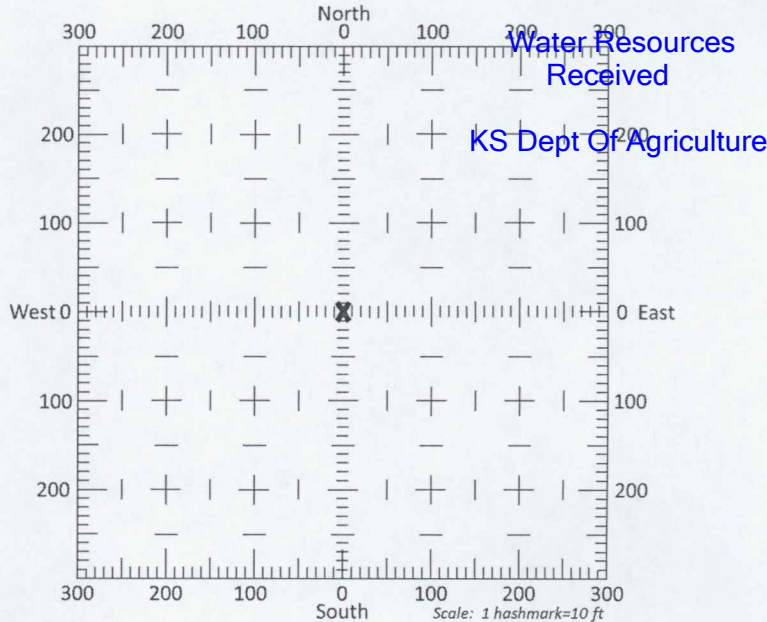

9. The change(s) (was)(will be) completed by?

10. If the point of diversion is a well:
 (a) What are you going to do with the old well?
N/A
 (b) When will this be done? N/A

11. Groundwater Management District recommendation
 attached? Yes No

12. Assisted by mf/GCFO

13a. If the proposed point of diversion will be relocated more than 300 feet but within 2,640 feet of the existing point of diversion, attach a topographic map or aerial photograph. For groundwater sources, show all wells (including domestic) within one-half mile of the proposed point of diversion and the names and mailing addresses of the owners. For surface water sources, show the names and addresses of the landowner(s) one-half mile downstream and one-half mile upstream from your property lines

13b. If the proposed point of diversion will be relocated within 300 feet of the existing point of diversion, indicate its location on the diagram shown above in relation to the existing point of diversion. (PLEASE NOTE: The "X" in center of diagram above represents the presently authorized point of diversion.)

TO: Files

DATE: December 9, 2020

FROM: Michael A. Meyer 

RE: Water Right,
File Nos. 264, 18379,
21411, 24355

Field office change applications of the above referenced files are being sent to headquarters for further processing. The original applications were received to make a complete overlap between all files that met base acres review. (adding new land but meets K.A.R. 5-5-11) One owner, Hildebrand did not sign. After much process, the Batman's decided to dismiss File Nos. 21411 and 24355 that involved the Hildebrand ground due to lack of agreements and signatures and modified the original remaining applications to make a complete overlap and meet base acres. These applications need processed due to the dismissal applications requests and further processing

For the record, Base acres are:

File No. 264 = 730 acres and 268 perfected acres

File No. 18379 = 730 base acres (same as File No. 264) with no additional base and 399 additional perfected acres

File No. 21411 = 120 base acres and 120 perfected acres

File No. 24355 = 130 total base acres (120 pivot area (same as File No. 21411) and 20 flood acres). Total combined base acres for File No. 21411 and 24355 are a total of 130 acres firm. Perfected acres for File No. 24355 are only 40 acres max. (also see attached aerial photo)
