I agree to the best of my knowledge that all known water wells (IRR, DOM, IND, etc) are shown within green circle(s) on the map. If not, I have edited the map indicating the location of other wells, type, & owner information.

Dear Austin,

I finally have a map for you. Please see it attached below.

I also realized that I have put the decimal in the wrong place in my water report that I did online. Whom should I address it to?

I am confused with how the acre feet should be reduced because I do not understand what you currently have in it. Could you call me about this?

Thanks for your help.

I got a page for my sister, Marsha to sign for the trustee of the Marsha C Wall Blackstock GST Trust Dated March 15, 2011. She has sent it back and I am waiting arrival in the mail.

Think you were waiting on this.

Dear Water Resources,

Enclosed please find the application for water change of use and/or the point of division and a water flow meter repair.

I finally have all the paperwork returned. You mentioned you could notarize the papers so I hope that still applies.

Please let me know if you need anything more.

Sincerely,

Carol Ann Zimmerman, Pres.
