RE: Applications for Change in Place of Use
Water Right, File Nos. 1062, 2392, 8809 D1, 8809 D2, 12256, 12819, 18011, 24769 &
28402

Dear Mike:

We assisted and reviewed the applications for the above referenced water rights. The proposals are not in conflict with the Management Program of the Southwest Kansas Groundwater Management District No. 3 (GMD3). The proposed change in place of use will rearrange current acres to better suit the operation and have a complete overlap in place of use in accordance with K.A.R. 5-5-11(b). It is therefore recommended that the applications be approved at this time.

Thank you for the opportunity to review the applications and to provide a recommendation. If you have any questions, please don't hesitate to contact us.

Sincerely,

Jason L. Norquest
Assistant Manager
