Dear Sir:

Enclosed are orders executed by the designee of the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, approving the applications for change under the above referenced file numbers.

This Contract is for the sale of the real estate, the residence and any outbuildings located thereon with all appurtenances, permanent improvements, fixtures and appliances now on the premises, excluding the refrigerator (collectively the "Property").

2. Purchase Price. The purchase price for the above described Property is the total sum of Five Hundred Fifty Thousand Dollars (\$550,000.00) which shall be paid as follows:

- (a) Purchaser shall pay to Seller the sum of Twenty-five Thousand Dollars (\$25,000.00) upon the execution of this Contract.
- (b) Purchaser further agrees to pay the balance of the purchase price in the amount of Five Hundred Twenty-five Thousand Dollars (\$525,000.00) on the date of closing unless additional time is needed to provide marketable title.

3. Possession. Possession of the Property shall be granted to Purchaser upon closing of this Contract.

4. Proof of Marketable Title. Seller agrees to execute, acknowledge and deliver to Purchaser at the time of closing, a good and sufficient general warranty deed conveying marketable title to the above described Property to Purchaser. It is agreed that within a reasonable time prior to the time of closing, Seller shall deliver to Purchaser a commitment for an owner's policy of title insurance in the amount of the purchase price covering the above described real estate which shall insure Purchaser against loss or damage by reason of any defects in the title of said real estate, subject to the above exceptions. Upon receipt of title insurance commitment, Purchaser shall have a reasonable time, not to exceed fifteen (15) days, to examine the same and to return it to Seller with any written objections relative to the marketability of the title. Any objections not so furnished shall be deemed to be waived by Purchaser. If valid objections are made to the marketability of title, Seller may then, at Seller's option, either correct such objections and make the title marketable or in lieu thereof, furnish an owner's policy of title insurance for the amount of said purchase price, which would insure against loss or damage by reason of such objections. Seller shall have, in any event, a reasonable time in which to satisfy any valid objections as to the marketability of the title and, if legal proceedings are required, they shall be begun promptly and shall be completed within a reasonable time. If Seller is unable to furnish marketable title as herein provided, this Contract shall become null and void, and the escrow agent shall return to Purchaser all monies paid by Purchaser and to Seller the deed, and any other documents shall be returned to the party who deposited the same with the escrow agent, whereupon all parties shall be released from further liability hereunder.

The cost of the title insurance policy shall be split equally between Seller and Purchaser. The costs of reviewing the commitment shall be Purchaser's responsibility. The costs of clearing any title defects shall be Seller's responsibility.

5. Utilities. Seller agrees to leave all utilities serving the Property on until the Closing Date and to control the temperature so as to avoid freezing of water lines. Seller will request all utility companies to read meters on the Closing Date for billing purposes but not to turn off such services. All utility costs through the meter reading on the Closing Date shall be paid by Seller.

6. Lead-Based Paint. Seller has no knowledge of any lead-based paint or lead-based paint hazards on the Property. Seller also declares that there are no records or reports in Seller's possession which were prepared in relation to any evaluations of the Property concerning lead-based paint and/or lead-based paint hazards located on the Property, and no such records or reports may be obtained by reasonable investigation.

Purchaser affirms that:

(a) He has received from Seller the above referenced information regarding lead-based paint and lead-based paint hazards on the Property;

(b) Purchaser has been provided with an EPA-approved pamphlet containing information on lead-based paint and lead-based paint hazards;

(c) Purchaser was provided with a ten (10) day period to inspect the Property and evaluate the risks arising from the presence of any lead-based paint or lead-based paint hazard on the Property; and

(d) Purchaser has waived his right to conduct such inspection and evaluation; and Purchaser has had the opportunity to read the attached Lead Warning Statement.

7. Registered Offenders Notice. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the Buyer, desire information regarding those new registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.Kansas.gov/kbi> or by contacting the local sheriff's office.

8. Radon Notice. Every buyer of residential real property is notified that the property may present exposure to dangerous levels of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law

requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

Purchaser understands that the Seller has not made any investigation to determine whether there is or will be radon gas in the Property. The Seller makes no representations or warranties as to the presence or lack of radon gas in the Property, or as to the effect of radon gas or any such condition on the Property or the resident. Purchaser may, at Purchaser's expense, conduct an inspection to determine the presence of radon gas in the Property.

9. Termite Inspection. It is agreed by the parties that Purchaser may have the premises inspected at Purchaser's expense, for the presence of termites and/or termite damage within ten (10) days from the date hereof. Failure to have such inspection conducted shall constitute a waiver by Purchaser of such inspection rights. If termites and/or termite damage is disclosed by said inspection, the fact of existence of termites and/or extent of damage shall be communicated in writing to Seller within two (2) days after said inspection is made. Thereupon, Seller shall have two (2) days to elect whether to repair said damage and exterminate said termites at Seller's expense or to terminate this Contract. If Seller elects to repair the damage and exterminate the termites, the repair and extermination shall be commenced promptly and completed within ten (10) days. If Seller elects to terminate the Contract, written notice of the election shall be given within the election period to Purchaser and escrow agent; and thereupon, the earnest money shall be returned to Purchaser and all other items to the parties depositing the same with the escrow agent, marked "Canceled" and signed by escrow agent.

10. Other Inspections. It is agreed by the parties that Purchaser, at Purchaser's expense, may enter the premises to make such legal, actual and other inquiries, tests, and investigations as Purchaser deems necessary or appropriate with respect to the Property including, but not limited to, the structural, sub-structural, environmental, roof, electrical and mechanical condition thereof, and of all appurtenances, facilities and equipment thereon. Such investigation and tests are anticipated to include, but are not limited to, an environmental audit of the physical components of all portions of the Property including, without limitation, friable asbestos, hazardous and toxic materials and underground storage tanks, such facts as an accurate survey would show, zoning, restrictions and applicable city, county and state regulations applicable to the Property. Any damage to the premises caused by the investigations shall be repaired at the expense of Purchaser.

The above described investigations are to be completed within ten (10) days from the date of this Contract. Failure to have such inspection conducted shall constitute a waiver by Purchaser of such inspection rights. In the event Purchaser determines that the results of said investigations require remedial action and expense that Purchaser is unwilling to undertake, the results of the investigations and Purchaser's position with respect thereto shall be communicated to Seller in

writing within two (2) days from the date of Purchaser's receipt of the results of such investigations. Seller shall then have the option to take the remedial action, at Seller's expense, and complete the corrective measures within a reasonable time, not to exceed ten (10) days from the date of said notice. If neither party elects to undertake and pay for the corrective measures, this Contract shall be deemed terminated, the escrow deposit shall be returned to Purchaser, and whereupon this Contract shall become null and void.

11. Waiver. Purchaser hereby freely makes the following waiver:

I HAVE CAREFULLY INSPECTED THE PROPERTY, SUBJECT TO ANY INSPECTIONS ALLOWED UNDER MY CONTRACT WITH SELLER (AND REPAIRS TO BE MADE AS THEREIN REQUIRED), I AGREE TO PURCHASE THE PROPERTY IN ITS PRESENT CONDITION ONLY, WITHOUT WARRANTIES OR GUARANTEES OF ANY KIND BY SELLER CONCERNING THE CONDITION OR VALUE OF THE PROPERTY, OTHER THAN THESE EXPRESSLY MADE IN THIS CONTRACT. I AGREE TO VERIFY ANY OF THE ABOVE INFORMATION THAT IS IMPORTANT TO ME BY AN INDEPENDENT INVESTIGATION OF MY OWN. I HAVE BEEN ADVISED TO HAVE THE PROPERTY EXAMINED BY PROFESSIONAL INSPECTORS. I ACKNOWLEDGE THAT SELLER IS NOT AN EXPERT AT DETECTING OR REPAIRING PHYSICAL DEFECTS IN THE PROPERTY. I STATE THAT NO IMPORTANT REPRESENTATIONS CONCERNING THE CONDITION OF THE PROPERTY ARE BEING RELIED UPON BY ME EXCEPT AS DISCLOSED ELSEWHERE IN THIS CONTRACT OR AS FULLY SET FORTH AS FOLLOWS:
NONE

12. Real Estate Taxes and Assessments. Seller shall be responsible for all real estate taxes and assessments for the year 2021 and all prior years. Real estate taxes for the year 2022 shall be prorated to the date of closing. In the event the amount of the taxes for the year of closing has not been established as of the closing date, such proration shall be based upon the taxes for the previous year. Purchaser shall be responsible for all subsequent real estate taxes and assessments.

13. Closing. This Contract shall be closed at such place as is mutually agreeable to Seller and Purchaser on or before April 18, 2022.

14. Insurance. The insurance covering the improvements located upon said real estate now in effect shall be kept in force by Seller until the date of closing. In the event of loss or damage to said improvements by fire, hail, windstorm, or other casualty which is covered by said insurance, before Purchaser takes possession, then the proceeds of said insurance shall be used by

Seller to repair such damage, or at the option of Purchaser, applied to reduce the purchase price of the Property.

If said proceeds are inadequate to restore the premises to substantially its condition prior to said loss, then this Contract may, at the option of Purchaser, become null and void, and the escrow agent shall return to Purchaser all monies paid by Purchaser and to Seller the deed, and any other documents shall be returned to the party who deposited the same with the escrow agent, whereupon all parties shall be released from further liability hereunder.

15. Escrow. All documents and funds necessary for completion of this transaction shall be placed in escrow with High Plains Title in Dodge City, Kansas. The said escrow agent shall perform such duties as set forth in this Contract and any additional duties set forth in written instructions and signed by Seller and Purchaser and accepted by escrow.

16. Escrow Instructions. Seller and Purchaser agree that the properly executed deed of conveyance from Seller to Purchaser, together with the earnest money deposit and a copy of this Contract, shall be held by the escrow herein. The aforementioned deed shall be delivered to Purchaser upon closing and final payment by Purchaser to Seller of the balance of the purchase price. The escrow agent shall be liable as a depository only. The escrow agent shall not be liable for collection of items until the proceeds of the same in actual cash have been received, nor shall it be liable for the default in any payment, nor the outlawing of any rights under the Statute of Limitations in respect to any documents deposited, nor for interest on the deposit of money. It may rely upon any paper, document or other writing believed by it to be authentic in making any delivery of money or property hereunder. In accepting any funds, securities or documents delivered hereunder, it is agreed and understood that, in the event of disagreement between the persons herein mentioned or persons claiming under them, or any of them, the escrow agent will and does reserve the right to hold all money, securities and property in its possession, and all papers in connection with or concerning this escrow until a mutual agreement has been reached between all of said parties or until delivery is legally authorized by final judgment or decree of court. Upon final payment hereunder, escrow shall deliver the deed of conveyance and abstract of title to Purchaser and shall deliver the final payment to Seller.

Seller and Purchaser agree that the escrow charges and closing costs, if any, shall be paid one-half (1/2) by Seller and one-half (1/2) by Purchaser. This specifically does not refer to any closing costs associated with any financing the Purchaser may obtain. Any and all costs associated with Purchaser obtaining financing shall be the sole responsibility of the Purchaser.

17. Time is of the Essence. Time is made of the essence of this Contract.

18. Default.

(a) If Purchaser fails to perform any obligation under this Contract, Seller may, at Seller's option at any time thereafter, give written notice of such default to Purchaser, and inform Purchaser that unless such default is cured on or before the

expiration of ten (10) days from the date of such notice, this Contract shall, upon the expiration of said ten (10) day period automatically terminate. In the event Purchaser fails to cure all such defaults within such ten (10) day period, this Contract shall, upon the expiration of such period, automatically terminate without the necessity of any further notice from, or action on the part of, Seller. In such event, Seller may elect to have the earnest money paid over to Seller as liquidated damages, and not as a penalty, or Seller may elect to pursue such other remedies as are allowed by law or in equity.

- (b) If Seller fails to perform any obligation under this Contract, Purchaser may, at Purchaser's option at any time thereafter, give written notice of such default to Seller, and inform Seller that unless such default is cured on or before the expiration of ten (10) days from the date of such notice, this Contract shall, upon the expiration of said ten (10) day period automatically terminate. In the event Seller fails to cure all such defaults within such ten (10) day period, this Contract shall, upon the expiration of such period, automatically terminate without the necessity of any further notice from, or action on the part of, Purchaser. In such event, Purchaser shall have the earnest money paid refunded, and may elect to pursue such other remedies as are allowed by law or in equity.
- (c) The parties acknowledge that the holder of the earnest money is prohibited by law from distributing the earnest money without the consent of Seller and Purchaser. Seller and Purchaser agree that failure by either party to respond in writing to a notice of a proposed distribution received from the holder of said earnest money within three (3) days of receipt thereof shall constitute consent to distribution of the earnest money as proposed in any such notice.
- (d) The prevailing party in any litigation between the parties arising under this Contract shall be entitled to recover from the other its reasonable attorneys' fees.

19. Notices. All notices shall be served either personally, by recognized public or private express mail service, or by depositing the same in a United States Post Office, certified or registered mail, return receipt requested, postage prepaid, and properly addressed as follows:

20. Assignment. This Contract and the rights and obligations hereunder shall not be assignable or transferable without the prior written consent of the parties.

21. Construction and Benefit. This Contract is intended to be performed in the State of Kansas and shall be construed and enforced in accordance with the laws of such state. 5. **RADON DISCLOSURE:** Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires the seller to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas Department of Health and Environment recommends all home buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

6. **RISK OF LOSS:** Risk of loss to the property shall remain with Seller until closing. Risk of loss shall pass to Buyer at closing. Seller shall keep the property insured against fire and extended casualty until closing. In the event of loss or damage to the property in an amount of \$25,000.00 or less before closing, the insurance proceeds shall be paid to Buyer or otherwise used to make the repairs and this contract shall remain in effect. Buyer shall be entitled to select the contractor and otherwise arrange for the repairs.

In the event of loss or damage to the dwelling and improvements in an amount exceeding \$25,000.00 before closing, either Seller or Buyer may cancel this contract by written notice to the other and the escrow agent, and upon such cancellation, the parties shall be released from this contract and Buyer's down payment refunded. The cancelling party shall pay the title insurance cost and escrow charges incurred prior to cancellation. To cancel under this provision, the written cancellation notice must be given within five (5) days after receiving the insurance adjuster report. If the contract is cancelled under this provision, Seller shall be entitled to all insurance proceeds. If neither party elects to cancel under this provision, then the insurance proceeds shall be paid to Buyer or otherwise used to make repairs and this contract shall remain in effect.

The insurance adjuster's report shall determine the damage value amount under this provision of the contract.

It will be Buyer's responsibility to insure the property at closing and any loss or damage to the property on or after closing will be Buyer's responsibility.

7. **POSSESSION:** Buyer shall have possession of the property at closing & upon full payment of the purchase price.

8. **TAXES:** Seller shall be responsible for 2021 & all prior year's taxes. 2022 taxes shall be prorated between Buyer and Seller.

9. **MARKETABLE TITLE:** Seller shall convey good and marketable title to the real estate to Buyer at closing. Buyer's obligation to complete this sale is conditioned upon receipt of good and marketable title at closing.

10. **PROPERTY LOCATION:** The property is sold "where is". No representation or warranty is made regarding boundary lines or location of improvements within boundary lines. Seller shall not be required to provide a survey or contribute to the cost of a survey in connection with this sale.

11. **DEED:** Seller shall execute and place in escrow with the contract a good and sufficient warranty deed conveying the property to Buyer, free of liens and encumbrances subject to public ordinances, easements and restrictions of record. The deed shall remain in escrow until full payment of the purchase price at closing. At closing, upon full payment of the purchase price, the escrow agent shall deliver the deed to the Buyer for recording. Recording the deed shall be Buyer's expense and responsibility.

12. **EVIDENCE OF TITLE:** The parties will obtain a title insurance commitment covering the property from a company authorized to insure real estate titles in the State of Kansas. The title commitment shall commit to insure marketable fee simple title upon recording the deed of conveyance subject to exceptions stated in the deed of conveyance. Buyer shall have seven (7) days after receiving the title commitment to notify Seller in writing of any valid objections according to Kansas Bar Association Title Standards. Seller shall make a diligent, good faith effort to cure any valid objections. Curing title shall be Seller's expense. The parties will thereafter obtain an owner's title insurance policy insuring marketable fee simple title in Buyer. The cost of providing the title insurance commitment and owner's title policy shall be paid one-half by Buyer and one-half by Seller at closing. Buyer shall be responsible for the cost of mortgage title insurance in connection with any loan financing purchase of the property.

13. **ESCROW:** High Plains Title, LLC, 107 Gunsmoke, Dodge City, Kansas, is appointed escrow agent for this transaction. This escrow agent is authorized to receive and disburse money and documents on behalf of the parties pursuant to this contract. The escrow agent is authorized to disburse costs of sale at closing including, but not limited to, attorney fees, property taxes and escrow charges. The escrow agent shall be provided an original signed copy of this contract. Buyer and Seller shall each pay one-half of the escrow charges and title insurance.

In the event a dispute arises between the parties regarding performance and completion of this contract, Buyer and Seller shall defend, indemnify and hold the escrow agent harmless from any liability, costs or expenses relative to the dispute including attorney fees incurred by the escrow agent.

14. **CLOSING:** This contract shall be closed on or before April 12, 2022, at the escrow agent's office. Closing will be extended a reasonable period as needed to complete title work or meet title requirements.

15. **DEFAULT:** Buyer and Seller shall have all remedies available at law or equity in case of breach of this contract including civil actions for specific performance or damages for breach of contract. Seller's choice of remedies in the event of Buyer's default shall include, but not be limited to, the right to cancel this contract by written notice to the Buyer's and

escrow agent, then recover and retain Buyer's down payment as liquidated damages. If Seller elects remedies of damages or specific performance for Buyer's breach of contract, Buyer agrees to pay and shall be liable for reasonable attorney fees and legal costs incurred by Seller prosecuting those remedies.

16. **PERSONS CONVICTED OF CRIMES:** Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the buyer desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local Sheriff's office.

17. **ENTIRETY:** This written agreement is the only agreement between the parties concerning this subject matter. There are no side agreements. This written agreement supersedes all other verbal or written representations or agreements. This agreement may only be modified by a written agreement, which specifically states that it amends this agreement.

18. **BINDING:** This contract shall be binding upon and shall inure to the benefit of the personal representatives, successors and assigns of the parties. This contract shall be construed and governed under Kansas law.

19. **DISCLOSURE:** Burkhart Real Estate & Auction is Seller's agent and represents Seller's interest, not Buyer's. Information given to Burkhart Real Estate & Auction will be disclosed to Seller. Buyer and Seller each acknowledge receiving the real estate brokerage relationship brochure.

Dear Mike:

We have completed a review of the applications for the above referenced water rights. The proposals are not in conflict with the Management Program of the Southwest Kansas Groundwater Management District No. 3 (GMD3). The proposed change in place of use will rearrange current acres to cover land that was not previously authorized and eliminate homesteads that do not need to be watered. At the same time, the applications will make a complete overlap in place of use in accordance with K.A.R. 5-5-11(b). It is therefore recommended that the applications be approved at this time.

Thank you for the opportunity to review the applications and to provide a recommendation. If you have any questions, please don't hesitate to contact us.

Sincerely,

Jason L. Norquest

Need to verify we have all signatures of land owners.

Applicant has purchased land in question and should be getting us the documentation needed.

Is a waiver needed: The complete overlap in PU is compliant and the rearranging of acres to cover unauthorized acres is also within the rules and is actually under their combined base acres.

Recommendation: After review of all available information, it appears current area rules are met. Staff therefore recommends approval of the applications.
