## MEMORANDUM

---

**TO:** File

**DATE:** 5/25/2017

**FROM:** Tyler Saryerwinnie

**RE:** File No. 46976

This is a memorandum regarding surrounding well owner notification on irrigation field office PU changes and pertains to decisions made during the Water Commissioner meeting which took place on 11/16/2016. With directive from Lane Letourneau, Program Manager.

This is applicable to field office changes to increase the place of use by 10 acres or 10% (whichever is less) or a change in place of use to create a complete overlap in which no new acres are being irrigated.

During that meeting it was determined that no surrounding well owner notification will be sent under this type of Place of Use change. All well rates and quantities will remain unchanged and the referenced change will not cause impairment or impact surrounding well owners.

The change in place of use filed on 5/24/2017 for the above referenced file meets this criteria and surrounding well owners will not be notified.

Re: Place of Use Change Application, File No(s). 46,976

Dear Mr. Saryerwinnie,

The Equus Beds Groundwater Management District No. 2 reviewed the referenced change in place of use application on June 12, 2017, using the District's Revised Management Program (effective May 1, 1995) and Rules and Regulations K.A.R. 5-22-1 through 5-22-17.

The change application proposes to modify the place of use and increase the place of use from 147 acres to 157 acres. The application proposes a water to land ratio of 1.24 acre-feet per acre.

The District's review found that the change application complies with the Revised Aquifer Management program approved by the Chief Engineer and with the District's Rules and Regulations K.A.R. 5-22-1 through 5-22-17.

Based upon the review, the application is recommended for approval by the Equus Beds Groundwater Management District No. 2.

A District decision may be appealed to the District Board of Directors by submitting a written petition to the District office within 30 days from date of this notification, pursuant to K.A.R. 5-22-12. Please contact the District should you have any questions regarding the review or recommendation.
