Dear Mr. & Mrs. Henderson:

Please find enclosed three (3) applications that will allow the above referenced files to fully overlap in place of use and retire the small Northern pivot from use. There are two (2) applications to voluntarily reduce the acres currently authorized to be irrigated by file nos. 15,675 & 23,579. The third application is authorizing a change in place of use for file no. 25,483. This application will change the authorized place of use from the North pivot to the same acres covered by file nos. 15,675 and 23,579.

Please note that these forms will require the notarized signature of both landowners, I have provided an additional signature page with each application for your convenience. Once the appropriate signatures have been obtained, the applications should be mailed to our Manhattan Headquarters Office, address highlighted in the top left corner of the place of use change application.

A processing fee of \$200.00, payable by check to the Kansas Department of Agriculture, should be included for the place of use change application. The voluntary reduction applications do not require a processing fee. If you have any further questions, please feel free to contact our office at (785) 425-6787.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca Hageman".
