Re:

Water Right, File Nos. 22,129 &

36,748

Dear Sir or Madam:

Enclosed are the orders executed by David W. Barfield, Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, approving the applications for change under the above referenced file numbers.

Your attention is directed to the terms, conditions, and limitations specified in these approvals for change. Also, the approval of these orders require the installation of a water flow meter on the point of diversion authorized under the above referenced file number by December 31, 2017 or before the first use of water. Please note that all meters must be installed and maintained in accordance with the Chief Engineer's specifications for water flow meters found in K.A.R. 5-1-4 through K.A.R. 5-1-12. A copy of these specifications and a list of acceptable meters can be obtained from our website at the following web address:

http://agriculture.ks.gov/meters

Because these orders modify the original certificates issued under your water right file, it should be recorded with the Register of Deeds as other instruments affecting real estate.

This document is a summary order by this agency regarding this matter. This order shall become final if a request for a hearing is not filed with the Chief Engineer within 15 days of the date of service of this order.

If you have any questions, please feel free to contact this office. If you wish to refer to a specific file, please reference it when you contact us.

Sincerely,

Katherine A. Tietsort Water Commissioner
