Kristen, just FYI. As per our recent discussion, I met with Craig Dibben yesterday in the field and we completed the Field Inspection under 48824. At the same time we completed the N&P form. Craig said he was going home to complete the \$400 check and would be mailing it shortly. I also secured a signed form to close out pending application, 50327. The unfortunate part with that is I have it with me here at home and no way to scan it. Oops! I am on vacation next week so this form will be a priority for me upon my return.
