Re: Water Right
File Nos. 28375, 37282
Appropriation of Water
File No. 43428

Dear Ladies & Gentlemen:

On the 2021 water use report it was reported that Jefferson Rural Water District No. 3 sold water to the City of Ozawkie which results in the above files being out of compliance by serving water on land not authorized under the water rights.

To remedy this situation, we have prepared 3 change place of use applications for the above listed files. Upon approval, all the area you currently serve will be covered under the authorized place of use for these water rights.

If you are satisfied with the applications, here is what we need to complete them:
Notarized signatures of the owners/district,
Filing fee is \$200 per application.

If you agree with these changes then return the signed applications and the total filing fee of \$600 (payable to Kansas Department of Agriculture) to:
Division of Water Resources
Kansas Department of Agriculture
1320 Research Park Drive
Manhattan, Kansas 66502

Please have these applications signed and returned to us by April 25, 2022 so we can bring your files into compliance. Thank you for your prompt attention to this matter. If you have any questions about the information contained in this letter or if you need additional information, please feel free to contact me at 785-296-8681.
