STORAGE REGULATING NOTICE

Notice is hereby given to the water users of the water right listed below that you may store all the inflow in your reservoir **except** the protected Frenchman Valley and Riverside purchased water. On June 21, 2007 that was calculated to be 68 cfs. Therefore, 68 cfs shall be passed through Harlan County Dam until further notice.

Water Right	Priority Date	Acre-Feet	Source of Water
A-4190	January 26, 1948	350,000	Republican River
Section 11, T1N, R17W			Harlan County Reservoir

Water storage has been restricted for the protection of other legal appropriators. In accordance with the provisions of the irrigation laws of the State of Nebraska, the owner or operator of this storage facility is prohibited from storing a portion of the inflowing water as noted above until further notified by an official of the Department of Natural Resources. Any person violating this order shall be subject to the penalty provided in Section 46-254, Re-issue Revised Statutes of Nebraska, 1943, which reads as follows:

"Any person owning or in control of any ditch, reservoir or other device for appropriating or using water who shall willfully open or close, change or interfere with any head gate or controlling gate, or by any method or means take any water from any natural stream, reservoir or other source, through any ditch or canal on any land or lands, or allow the same to be done, or use or allow to be used any water upon any land or lands, or for any other purpose whatsoever, without authority from the Department of Natural Resources, or who shall store water in or release water from a reservoir other than in compliance with orders of the Director of Natural Resources or his representative, shall be guilty of a Class II misdemeanor, Each day that the water is allowed to run without authority from the Department shall constitute a separate offence."
