AGREED ORDER TERMINATING A WATER CONSERVATION AREA

COMES NOW, the Chief Engineer, Division of Water Resources, Kansas Department of Agriculture, pursuant to K.S.A. 82a-745 and having been advised of the circumstances pertinent to this action and being otherwise fully and duly advised in the premises, and finds and orders as follows:

1. On or about May 9, 2018, Mike H. & Carla J. Bartlett ("Original Participants") submitted to the Chief Engineer a proposed management plan to establish a water conservation area, pursuant to K.S.A. 82a-745. The proposed plan concerned Water Rights, File Nos. 19,971 & 31,853 (the "Water Rights") which then were owned by Original Participants.

2. On or about October 8, 2018, and pursuant to K.S.A. 82a-745, the Chief Engineer caused to be duly issued the Consent Agreement and Order Designating a Water Conservation Area (the "WCA Order"), which incorporated the management plan and formally designated the Bartlett Farms Water Conservation Area (the "Subject WCA").

3. On January 23, 2019, a deed was recorded with the Register of Deeds of Ford County, Kansas, showing that all interests in the Water Rights had been conveyed by Original Participants to Jeffrey J. & Sharleen L. Unruh on December 11, 2018.

4. Pursuant to the terms of the WCA Order, the new purchasers and sole owners of the Water Rights, Jeffrey J. & Sharleen L. Unruh ("New Participants"), are subject to the WCA Order and the Subject WCA.

5. On May 9, 2019, the office of the Chief Engineer received a written request from New Participants, requesting termination of the WCA Order and the Subject WCA.

6. Pursuant to the management plan and K.S.A. 82a-745(k), the Chief Engineer may terminate a water conservation area upon the request and consent of all then-existing water right owners within a water conservation area. New Participants are the sole water right owners and participants in the Subject WCA.

7. By Participants' signatures hereto, which constitutes the signatures of all existing water right owners and participants in the Subject WCA, Participants indicate their request and consent that the WCA Order and its established Subject WCA be terminated pursuant to the terms herein.
